John Smith

Prime Tech
Nairobi, Kenya

Dear John Smith,

I am writing to express my strong interest in the Senior Software Engineer position at Prime Tech, as advertised on LinkedIn. I am passionate about building scalable software solutions that solve real-world problems

In my previous role as Senior Software Developer at TechCorp, including Reduced system response time by 50%. My technical expertise includes React, Node.js, Python, and I bring strong Leadership, Problem Solving skills to this role.

What excites me most about Prime Tech is your innovative approach to technology and commitment to excellence in software development. I bring a unique combination of technical expertise and leadership experience that drives both individual and team success.

I would welcome the opportunity to discuss how my background, skills, and enthusiasm can add value to your team, particularly my experience with E-commerce platform serving 10,000+ users and my Led a team of 5 developers and mentored 3 junior developers. Thank you for considering my application. I look forward to the possibility of contributing to your continued success.

Sincerely,

Hamilton Mwaila
